FreeStyle™

NEW ADDITIONS

FreeStyle is a creative and functional range that puts an organic and elegant twist on a modern concept in casual dining. Designed to present menus in an exciting and contemporary way with complementary a-symmetric shapes and compositions of dishes, FreeStyle offers multiple presentation solutions for the ever explorative consumer. It is also perfect for efficient storage, plating, portion control, heat retention and ease of use. The range is classic, with a playful character that combines sculptural, curvy forms with multifunctional items that sit freely on the table for light and casual dining environments and collaborative consumption.
